

Cooperative Group Evaluation

Working together is not always easy.
Evaluate your recent experience.

1. Write the names of your group members: _____

2. What was your assignment? _____
3. What role did you have? _____

4. Explain how well you fulfilled this role. _____

5. Explain how your group interacted with one another in the process of completing this assignment. _____

6. How did you resolve differences of opinion on the way the project was to be completed? _____

7. In your opinion were the roles and responsibilities divided fairly?

8. Do you feel that each member "carried his or her own weight?"
Please use the back of the paper to explain.
